

*L*etter from the Committee:

When we first imagined the “Miss Creole Beauty Pageant” we imagined a signature event that would grow to be a part of the global Haitian Community. It would be an event that celebrated Haitian culture in South Florida and beyond. As we prepare to host the fourth annual Miss Creole Beauty Pageant, this dream is becoming a reality.

The Miss Creole Beauty Pageant has become one of the most anticipated events held each year in South Florida. Potential contestants across the country, vie for the opportunity to participate in this affair. Each year before the exciting and long awaiting event, the Miss Creole Beauty Pageant convenes an intensive pre-pageant schedule filled with numerous social and community events. This year we are proud to embark on a theme that celebrates the beauty of the Creole women and Haitian culture.

As we come into our 4th year, our goal remains the same, to continue to grow and build on our dream. In order to continue and expand on this worthwhile event, we need your support. With your sponsorship, you will be supporting the growth of this annual event, as well as contributing to the positive Haitian views we are establishing in society.

We encourage you to join us in growing this important event and helping to make it better than we imagined. Please help us in making the 2009 Miss Creole Beauty Pageant a tremendous success.

Sincerely,

Miss Creole
